January 22, 2017

Dear colleagues,

In order to further enhance the cooperation and exchange between Beijing Jiaotong University (BJTU) and your institute, we would like to offer 2 positions this year for graduates from your institute to apply for the Chinese Government Scholarship (CGS)-Chinese University Program if they wish to study at BJTU.

Below is the list of our 8 English-taught master programs:
1. Civil Engineering
2. Computer Technology (With Specialty in Software engineering)
3. Transportation Engineering (Railway Operation and Management)
4. Urban and Rural Planning
5. Logistics Engineering
6. Electronic and Communication Engineering
7. Industrial Engineering
8. Electrical Engineering

We also offer 96 Chinese-taught master programs and 41 doctoral programs for international applicants. The students will have one year Chinese course before they entering the programs if their Chinese language cannot meet the requirement. The cost will also be covered by CGS.

The application deadline for CGS is April 10. Please refer to the BJTU study guide for more information. If you are kind enough to accept our offer, please send your nomination letter to Center for International Education (CIE) at bjtucie@bjtu.edu.cn.

Please feel free to contact us if you have any questions.

Sincerely yours,

Prof. Mr. CHEN Feng, PhD
Vice-President
Beijing Jiaotong University
