The Ministry of Foreign Affairs was recently asked to pass along this opportunity for Post Graduate study to promising students around Israel. We would appreciate your aid in passing around this email to any and all parties you think may be interested.

The Government of the Republic of Malta, through the Ministry for Sustainable Development, the Environment and Climate Change, is announcing the offer of three scholarships for students wishing to engage in Postgraduate studies at the University of Malta commencing in the academic year 2017/2018 as follows:

a. Scholarship in Post Graduate Studies to study Adaptation and Resilience to Climate Change
b. Scholarship in Post Graduate Studies on Good Governance of Climate Action
c. Scholarship in Post Graduate Studies to Develop a Low Carbon Economy

In order to be considered eligible, applicants should be Nationals and current residents of one of the countries indicated in the following list available at: unfccc.int/parties_and_observers/parties/non_annex_i/items/2833.php

An information document is enclosed and further information can be found on http://www.um.edu.mt/newspoint/noticeboard/opportunities/2017/02/scholarshipsinclimateaction

It is to be noted that applicants need to have submitted their application online and provided copies of their academic qualifications and all other requested documentation to the University of Malta by the 5th May 2017.

Grateful were the Ministry of Foreign Affairs assist in bring this matter to the attention of interested parties.

Kind Regards,
Ryan Lasnick
